Pharmacy First Thresholds: Share Your Views

Community Pharmacy England wants to hear opinions from pharmacy owners in Birmingham and Solihull on Pharmacy First thresholds.

Calling all Local Pharmacy Owners:

Feed directly into Community Pharmacy England's next Committee meeting by completing this short poll

Closing on 26th August at 11:59pm

CCA multiples will receive a separate survey at their head offices, so there is no need for any action at the branch level.

The short survey is gathering pharmacy owners' views on increases in Pharmacy First thresholds and the effects of GP action. The results will contribute to the national negotiator's ongoing efforts to raise awareness of pharmacy pressures and push for increased core funding.

The ten-minute survey, open until **11.59pm on Monday 26th August**, offers local pharmacy owners the chance to feed directly into Community Pharmacy England's work. [Read more here](#)
