## **NHS Flu Vaccination Service 2024/25**

---

Each year from the autumn through to March, the NHS runs a seasonal flu vaccination campaign aiming to vaccinate all patients who are at risk of developing more serious complications from the virus.

The accessibility of pharmacies, their extended opening hours and the option to walk in without an appointment have proved popular with patients seeking vaccinations.

Visit Community Pharmacy England's [Flu Vaccination Service page](#) for all the latest information and resources.

---

The UK Health Security Agency has made available, the flu vaccine poster for the coming season, to aid appropriate vaccine selection.
