Accurx webinar: Helping Pharmacies to make the most out of Accurx

Accurx will be running a webinar to support Birmingham and Solihull Community Pharmacies to understand how to make the most of the Accurx communication platform.

The webinar will centre around the different communication products offered, touching on use cases, and benefits seen. There will also be a discussion for you to ask questions and learn from other pharmacies about their experience using Accurx to date.

The LPC is in full support of Accurx as a platform, and the benefits that it can deliver to Community Pharmacy. Please do sign up to one of the below dates that work for you (both webinars have the same content):
