BEFORE Carers' Week.

This Carers Week (9th - 15th June), Forward Carers and Birmingham Carers Hub invite you to help recognise the vital role of unpaid Carers, especially their support in managing medications for their cared for.

Carers often act as a bridge between patients and healthcare professionals, but their own health needs can go unseen.

Our Health Liaison Service supports Carers to access healthcare, advice, and wellbeing services- ensuring they are recognised, valued, and supported.

How you can help:

♥ **Display our Health Liaison poster** in your pharmacy.

♥ **Encourage Carers** to seek advice and prioritise their own health.

♥ **Show your pharmacy's support** by recognising and supporting Carers in our community.

We have attached a poster ready to print or can arrange delivery of a printed copy, just let us know! [Contact our Health Liaison Project Manager](#)

Together, we can make a difference for thousands of Carers across Birmingham.

Thank you.
