Senior figures from Community Pharmacy England are heading to Warwick on the evening of **Wednesday 16th July** to discuss pressing issues and plans for the future with local pharmacy owners (or their representatives).

The 'Future of Pharmacy' workshop will explore the impact of the recent CPCF deal, ongoing issues you face, and possible tactics to try and win over policymakers. This is a great opportunity to get involved in preparations for the 2026/27 CPCF negotiations and work with the negotiators to map out a clearer way forward for the sector.
