## **Build your confidence in weight management consultations**

Providing medicines for weight management is more than clinical decision making. It is about guiding a conversation, gathering the right details, and documenting effectively. Without a structured approach, it can feel uncertain.

### **Why join this workshop?**

- Based on a real consultation between a patient and pharmacist, and co-produced with lived experience of obesity.
- Learn a holistic, person-centred approach.
- Helps you form lasting peer networks and access post-workshop discussion boards for sharing resources and ideas.
