CRIME UPDATE from West Midlands Police CD Liaison Officer

The LPC is sharing the information below at the request of Steve Miles Controlled Drug Liaison Officer West Midlands Police.

Pharmacy burglaries

There have been three pharmacy burglaries reported recently, both overnight and both involved a great deal of effort (and damage to property) to gain entry.

In the past TWO weeks annoying crimes against hard working contractors:

The first pharmacy was broken into and the cash drawer was stolen (minimal cash) and also a range of lower schedule CDs, Zopiclone, pregabalins etc.

The second pharmacy involved an overnight burglary which appears to have been targeted for their perfumes.

The third pharmacy - computer stolen from the consultation room but nothing else - appears more of an opportunist theft.

Frustratingly, all three pharmacies had good measures in place, alarm, CCTV.

Pharmacy teams are reminded to be extra vigilant and ensure all security measures are active when the pharmacy is closed and please continue to report any security related incidents to Steve Miles Controlled Drug Liaison Officer (M:07407876805, stephen.miles@west-midlands.police.uk or 101)

A pharmacy security update including useful links has previously been shared by the LPC.
