Guidance to support pharmacy owners and LPCs seeking access to records: [DSPTK](#)

We have worked with the NHS DSPTK team on the new Toolkit requirements and made improvements to this year's Toolkit. Both our organisations are eager to support pharmacy owners as you work your way through the Toolkit.

During the webinar, representatives from Community Pharmacy England and the NHS DSPTK team will discuss the Toolkit questions, talk delegates through the available guidance materials and answer questions about making the declaration.

Our recommendations for pharmacy owners attending this webinar:

- Please read Community Pharmacy England's guidance documents to get the best experience at this webinar. (These documents are being updated with the 2026 changes shortly and prior the webinar.)
- You can also submit questions about the Toolkit and associated guidance ahead of the event using the webinar platform or by emailing

either regulations.team@cpe.org.uk or it@cpe.org.uk
