## **Pharmacy Pressures Survey 2026: Your responses help secure our future**

Community Pharmacy England has launched its fifth annual Pharmacy Pressures Survey, and are keen to hear from all pharmacy owners and staff.

Your responses provide vital evidence on the pressures facing community pharmacy - from financial and staffing challenges to patient care and medicine supply issues.

The survey findings are used to:

- Highlight pressures in the media and Parliament
- Support Government and NHS decision-makers in understanding sector challenges
- Strengthen our case for immediate investment and policy changes

---

### **Participating is quick and simple:**

**Surveys take 10-15 minutes**

**Open until 16 March 2026, 23:59**

---

**Pharmacy owners survey: Please note that only one representative from each pharmacy business should complete this survey - please check this is the case before doing so.**

If you are an independent pharmacy owner or any pharmacy owner involved in the day-to-day operations of a pharmacy, you are welcome to complete both surveys. Alternatively, you may complete the owners' survey and invite your team members to complete the team survey.
