

RSV Vaccination - National Campaign

B Sol was one of the areas where community pharmacy was commissioned to deliver the RSV vaccination programme last year.

There will be some additional national support which may drive demand in July for the EXISTING contractors who are signed up to this service.

NHS England's vaccination team has shared the following information with CPE:

I wanted to let you know about some patient engagement NHS England will be doing soon relating to the RSV older adults programme. We plan to run a further national invitation campaign from late July 2026, inviting adults aged 80 years and over who became eligible for the RSV vaccination programme from 1st April 2026, to contact their GP to book a vaccination appointment.

In addition to the invitation to contact their GP, a separate invitation will be sent to eligible individuals living in the areas where community pharmacy sites have been commissioned to deliver NHS RSV vaccinations. This invite will include a link to the National Booking Service where community pharmacy appointments can be booked online, and a link to the community pharmacy walk-in finder tool.
