Community
Pharmacy
England

There is still time to register for Community Pharmacy England's upcoming regional roadshow events. CPE is coming to the West Midlands this June to meet directly with pharmacy owners and their representatives as part of our annual series of regional evening roadshow events.

Your local session takes place on **Tuesday 30th June in Birmingham** – bringing senior CPE figures together with local pharmacies to talk honestly about funding, pressures on the sector, and what needs to happen next.

We hope the series of events will explain the CPCF negotiations, give attendees the chance to ask questions and challenge decisions, gathering real-world insight to help shape preparations for future negotiations.

It's a valuable opportunity to share local experiences, influence future priorities, and connect with colleagues from across the region.
